Appendix E: Made-Up Tables 165

Index 166

The made-up tables are all set out in full in Appendix E. The method behind them is made up as it goes, and Section 2.1 explains how beams bend.

1 Made-Up Beginnings

Everything here begins in a made-up way.

2 Made-Up Methods

The methods are made up too.

2.1 Bending Made-Up Beams

A made-up beam bends under a made-up load.

2.2 Twisting Made-Up Shafts

A made-up shaft twists.
